Acting Career Seminar

Friday Night 7 to 10

Includes a special half hour wrap tape from one of the years I worked on Seinfeld. Only a few crew members own these and not many outsiders have seen them.

THE FIVE QUESTIONS ACTORS WANT TO KNOW ABOUT LOS ANGELES.

1. How do I prepare for the big move?
2. When is the right time to move?
3. What do I do when I arrive in LA?
4. How do you get acting work in Los Angeles?
5. When is the right time to get an agent and manager?

There will be handouts of Los Angeles areas to live and the important free email newsletters as well as the best casting sites and groups to join when you move.

I will also be talking about the right materials for the Los Angeles market. Bring your pictures and resumes I will pick a few to talk about randomly.

All general questions pertaining to the whole group will be answered.
